

## + Premium news - NewsRoom with Reuters

Whether you're researching companies, governments, politics, international or domestic markets, or economics, NewsRoom with Reuters provides the content and tools you need. It combines thousands of key newspapers, newswires and business-to-business publications, all presented within the Westlaw.

## + Tracker Analytics

Search through a collection of indexed cases and summaries to get the important information you need to make effective decisions fast.

- ▶ Sentencing Tracker  
Compare the sentences handed down for the same offence
- ▶ Personal Grievance Tracker  
Compare awards and remedies granted in similar grievance claims
- ▶ Accident Compensation Tracker  
Compare the outcome of ACC appeals involving similar injuries
- ▶ Resource Management  
Compare the outcomes of similar prosecutions under the Resource Management Act
- ▶ OSH  
Compare the outcomes of similar health and safety prosecutions

## + Legal Workflow

Workflow solutions deliver task-oriented step by step guides through legal matters. Each workflow step combines expertly authored guidance on that step, the identification of tasks related to the step, and seamless integration with relevant checklists and downloadable forms and precedents.

## The future of legal research is here.

Westlaw has made online legal research that much simpler, but don't take our word for it – discover how our customers are using the latest Westlaw solution to cut through information, and achieve speed to answer, in seconds!

*The Westlaw platform is easy to use and is a critical part of our success.*

**Shannon Norling**  
Director  
Core Legal

*Westlaw is a lot more intuitive than other legal research tools I have experienced.*
